

15, 2017. This will allow us to get back on track and plan for the future rather than continue governing from crisis to crisis.

The measure keeps Medicare Part B premium costs down for millions of seniors and protects all Medicare beneficiaries from the projected increases in their deductibles.

I am encouraged by this framework and hope that as the bill moves through the process, some of the areas of concern will be worked out and that we will be able to pass bipartisan appropriations measures for fiscal years 2016 and 2017. I urge my colleagues to support the Bipartisan Budget Agreement for the good of our country.

The SPEAKER pro tempore. All time for debate has expired.

Pursuant to House Resolution 495, the previous question is ordered.
